

Who cares if you live out the values and principles in the Bible?

- God Does!

It is not God's will that any should die without knowing Him.

- Your Employer Does!

- Fellow Employees Do!

Applying Godly principles makes you a blessing to others.

There are many challenges facing us in the workplace today.

Having people with similar challenges to confide in and who will walk through these challenges with us is invaluable.

As iron sharpens iron, so one man sharpens another.
